

# Lethbridge Park Public School Preschool

## Learning from Home Educational Program/Schedule Week 9 Term 3 2021 Monday 06.09.2021 to Friday 10.09.2021

Scan this QR Code to access the Preschool Remote Learning Page

All families are required to check in via their Storypark account twice a week to ensure that they are receiving up-to-date information and documenting their child's learning from home.

### Home Skills:

- Check the mail with an adult, help hang out and sort washing.?
- Making Breakfast. Cleaning up after. Brush your teeth and get yourself dressed.
- Help sort the recycling and put rubbish outside in the big bins.

### Preschool Red Class

**Monday** preschool shared story, singing and dancing Zoom Session @ 11am

**Tuesday** P-Red Kindergarten Transition Zoom Session 1

### Preschool Blue Class

**Thursday** P-Blue Kindergarten Transition Zoom Session 1

**Friday** preschool shared story, singing and dancing Zoom Session @ 11am

### Fine Motor focused experiences

#### T2SS Drawing

Your child is encouraged to draw a picture and talk about what it depicts. To complete this section of your child's NSW Transition to School Statement (T2SS) in our current mode of learning from home, we will require family members to support their child in completing this task.

Lower-case letter formation practice

Mindfulness Doodling

Break Time - Have a piece of fresh fruit or vegetable. Try a new fruit or vegetable today.

This week's songs we are learning...

Sing some of our new songs using the props included in this week's 'learning from home' resource pack.

Kookaburra Sits in the Old Gum Tree

1, 2, 3, 4, 5 Once I Caught A Fish Alive

One, two, three, four, five,  
Once I caught a fish alive.  
Six, seven, eight, nine, ten,  
Then I let it go again.  
Why did you let it go?  
Because it bit my finger so.  
Which finger did it bite?  
This little finger on my right.

I'm a Little Teapot

Supporting children's well-being

Outdoor Mindfulness Scavenger Hunt

Find something that makes you happy.	Listen to a bird singing.	Find something that smells nice.
Listen to leaves rustling on a tree.	Find something that is your favourite colour.	Find something that makes a noise.
Find something that is smooth.	Find something the colour of the sky.	Find something as small as your fingernail.
Look for a cloud that is shaped like an animal. Watch it change shape.	Follow an insect. What is it doing?	Find something that is soft.

This week's science investigation – learning about germs...

What Lives on Us?

Science Experiment

1. Rub your hands over a slice of bread.
2. Put it in a plastic bag and label with your name and 'Unwashed'. Seal the back with sticky tape.
3. Wash your hands with soap and water.
4. Rub your hands on another slice of bread.
5. Put it in a plastic bag and label with your name and 'Washed'. Seal the back with sticky tape.
6. Keep both bags in a warm place. Check them daily, but do not open the bags.

**You will need:**  
2 slices of bread per child  
2 grip lock plastic bags per child  
Soap  
Sticky labels  
Sticky tape

Science Experiment

Can you rub your hands on a piece of bread?  
Can you rub your clean hands on a piece of bread?

What Lives On Us?

A Guide for Adults:

"There are bacteria and fungi, so that exist everywhere." "small numbers in this experiment they feed on the sugars on the bread. This allows the bacteria to grow into a visible colony and the fungi to grow in green and become visible in large numbers. These microorganisms can be harmful. Do not open the bags once the experiment has started, and throw the bags away after 10 days."

Science Experiment

What Lives On Us?

Can you rub your hands on a piece of bread?  
Can you rub your clean hands on a piece of bread?

Check your bread every day.  
What has happened to the bread that touched your dirty hands?  
What does the bread that touched your clean hands look like?  
What has grown on the bread that touched your 'unwashed hands'? Where did they come from?

Play outside

This week's FMS focus: **Kicking**

**Resources required:** balloon, large ball to kick, skittles or milk cartons and chalk.

**Suggested activities** to support development of this skill:

**Number kicking**

Draw numbers on the lower part of an outside wall or stick numbers so that children can kick the ball at them. Child to nominate what number they are trying to hit with the ball prior to kicking the ball. Place ball on the ground and kick the ball, trying to hit that number.

**Soccer Skittles**

Use skittles or empty milk cartons. Have your child kick a ball and try to knock them over.

**Balloon kick** Give your child a blown-up balloon and ask them to try and keep the balloon up in the air using only their feet.

## Lunch time. Help make lunch, sit and eat together.

### Movement experiences inspired by the Olympics and Paralympics

### Kindergarten Transition Experiences

- Practice packing your school bag by yourself

<https://youtu.be/qka8KI-UgaQ>

- Practice opening containers, zip lock bags, yoghurts by yourself

### Pack Away

#### Relaxation Time (Suggestions):

**YouTube:** Cosmic Kids Yoga.

**Listen to a story from** <https://storyboxlibrary.com.au/>

**Username:** LPPS

**Password:** Read

**Playlist:** Preschool Learning from Home Booklist

#### Additional Information and Resources

**You Tube:** [Go Noodle](#) for interactive dancing.

Go on a virtual tour.
