Term 1 Week 2 2021

## Welcome back

Welcome back to 2021—this week school commenced for our students, with everyone in class and ready for the year ahead. I have attached a staff list and staff lists on the following page.

Please be on the lookout for individual class notes and videos which will be published in the next few days—all of our notes and videos are collected on the school website.

There are still a range of COVID restrictions that apply to the use of the school site, and whilst there had been some flexibility around the starting arrangements, ongoing management of school sites still requires a significant amount of planning and organisation.

Where possible use of telephone or internet enquiries is much easier for us to manage at a school level and allows us to direct staff towards teaching and learning more effectively.

There is a dual sign in process for any visitors to the school site—I have included the QR codes on the following page and they are attached to the school fence.

For advice on how we are managing arrangements at school the best reference point is the school website with video updates sent out most weeks. If any parents are not receiving SMS notifications of these videos it most likely means that the incorrect mobile phone number is recorded on our system—a call to the office can easily solve this.

## Welcome to new staff

This year we welcome a number of new staff to our school—Ms Morgan (K Blue) and Ms Wayte (M Blue) join us permanently with Mr Romero (3 Yellow), and Ms Lamas (3-6 Green) supporting us in a temporary capacity.

## Drop off/pick up arrangements

Today will mark the last day for parents of year 1 and 2 parents to escort them to the room, with all mainstream students in years 1-6 entering the school grounds unaccompanied from 8.25am. We hope that the flexibility at the start of the year has helped with settling students.

Kindergarten parents may still escort their children into the school grounds from 8.45am until Friday 12/2/2021 when the kindergarten students will join the normal school procedures. We will continue with the kindergarten afternoon arrangements with parents collecting students from the classrooms until 12/2/2021

**For our latest video update please see the school website—the link to today's video can be found at or by scanning the QR code below.**

## BOTH

are required

Please check in before entering our premises.

We're helping keep our community COVID safe by recording contact details.

It's easy to check in:

- 1 Scan the QR code with your smartphone camera or QR code reader.
- 2 Follow the prompts on the Service NSW app or on the Service NSW webform.
- 3 Show a staff member that you've signed in.

We respect your privacy

When you scan the QR code, the only personal information sent to Service NSW is your Customer ID. The location of the business premises and the name of the business are not sent to Service NSW. The information is used to help you check in and to help you check out. The information is not shared with other businesses. The information is not used for any other purpose. The information is not used for any other purpose. The information is not used for any other purpose.
