High Potential and Gifted Classes Going Ahead in 2023

Dear Parents and Carers,

Thank you to the families who either completed the HPG class survey or attended our community consultation morning tea last week. 100% of our community who completed the survey or attended the community consultation believe that LPPS should have HPG classes next year.

Based on this, I am pleased to announce that we will be going ahead with this exciting initiative.

Students for these classes (Year 1 and Year 3 2023) will be selected from a variety of data including:

- Teacher, Assistant Principal and stage observations and conversations (ability to work together, problem solve, respond to questions, ability to inquire and be curious about learning)
- Formative assessments (their daily work during guided reading, writing and numeracy lessons)
- Summative assessments (traditional pencil and paper or online tests)

Families of students who are identified will be notified via letter in Week 9 (4 – 9 December). A return slip will be requested to confirm your child's placement.

Families of students identified in HPG classes for 2023 will be invited for a consultation and information session during Week 10. More information will be provided closer to the date.

Kind regards,

Mr Garry Sheen
Principal
