### **My First Day School Photos – Friday 11<sup>th</sup> February**

We have arranged for *The School Photographer* to attend on Friday 11<sup>th</sup> February to take individual portrait photos of Kindergarten students, right at the beginning of their school journey. These photographs are a small memento provided to families at no cost.

These photos are in addition to the annual school photos, which are scheduled for later in the year. We will communicate with you about whole-school photo arrangements, closer to the event.

Accompanying this letter is an **optional** order form for additional items that you may choose to purchase, via *The School Photographer's* website using a credit card. Payments for these optional purchases cannot be made via the school. There is no obligation to purchase any items.

In preparation of a lasting memory of your child's beginnings at school, please ensure your child is neatly dressed and groomed for their photograph, and at school on time, to ensure they do not miss out. All organisation of the photographs is co-ordinated within the class groups, there is no change to the daily drop off routine.
