## Connected Communities Extension January 2025

Dear Parents and Carers,

I would like to advise you that the Deputy Premier, and Minister of Education and Early Learning, the Hon. Pru Carr, has endorsed the extension of the Connected Communities strategy until January 2025.

On behalf of our school, I want to thank you for your ongoing support in valuing what the Connected Communities strategy offers in broadening the many educational opportunities made possible for our school's students and staff.

It has been an absolute honour to lead this wonderful school community with you over the last 18 months and I very much look forward to what we can do together in the next 18.

Together, we will continue to:

- ensure our students are at the centre of everything we do
- listen and learn together, strengthening relationships to create a culturally inclusive school
- create environments where all community members feel welcome, known, valued, supported and respected
- create opportunities for all school community members and external agencies to contribute, support, take part in and celebrate our successes together.

Kind regards,

Mr Garry Sheen  
Executive Principal
