## K-2 Morning 'Drop Off'

Dear Parents and Carers,

Thank you for helping us create a safe environment for your children of a morning, as well as ensuring that they are at school on time, ready to learn.

To further support this process, we encourage all parents to 'kiss and drop' their child either at the school gate, or at their lines, of a morning. This allows your child time to play with their friends before the school day starts and form positive relationships, as well as develop a sense of independence and belonging. When students are late to class or have had little time to play with their friends, they can often become anxious when the bell goes, making it more difficult for learning to start.

We will continue to have someone at the school gate, and on duty of a morning to support this process. Please note for security reasons the Mariana gate will be locked daily at 9:05am.

If you have any concerns or enquiries, please do not hesitate to reach out to your child's class teacher to arrange a meeting.

Mr Garry Sheen  
Principal
