Seesaw and Storypark

Dear Parents and Caregivers,

Our school uses online applications including Seesaw (Years K-6) and Storypark (Preschool) that allows families to better engage in their child's learning and connect with their teacher.

These applications allow you to:

- View your child's uploaded work samples (photos or videos)
- Celebrate their learning progress at home
- Connect with your child's teacher by asking questions or providing an update, or even communicating when your child is unwell
- View their daily activities (Storypark)

Students are required to register before accessing the online service. Registration involves either a staff member or student entering identifying information such as *name, grade, and email address* onto the provider's platform. This and any other data entered in the course of accessing the application is stored on servers located in Australia and is subject to NSW privacy laws. These applications are **personalised to your child, so it is only your child's schoolwork that is visible to you**, it is not shared with others.

As many of our students and families are already using Seesaw and Storypark as a means to communicate and strengthen partnerships between the school and the home, we are asking you to let us know if you **DO NOT** want your child to use these applications.

Please complete the form below and return it to the office by **Friday 10th February 2023** if you **DO NOT** want your child to use these online platforms in order to share their learning with you.

Kind regards,

Mr Garry Sheen
Principal

Seesaw and Storypark (Opt OUT)

I **DO NOT** want my child _____ of class _____
to use the Seesaw or Storypark application.

Name: _____

Signed: _____

Date: _____
