<b>Home Time</b> 2:55pm	Students and teachers leave their classrooms after the 2:55pm bell. Parents are welcome to meet their child in Area 3 or at one of the school gates. Please ensure your child knows your preferred choice.
<b>Attendance</b>	Attending school every day supports your child's social and emotional development, as well as their academic performance. We aim for all children to have attendance of higher than 95%. This means no more than 10 days away from school for the whole year.
<b>Uniform orders</b>	The Uniform Shop is located at the school office and is open Monday - Friday from 8:25am -3:10pm. Uniforms can also be purchased through the school website, with proof of payment sent by email to lethbridgep.school@det.nsw.edu.au. Online orders can be collected from the office or sent home with your child at your request.
<b>School Newsletters</b>	The school no longer publishes formal newsletters as Facebook is used to communicate and celebrate all events, as well as student learning. A Principal's Message is published fortnightly giving a brief update of coming events.
<b>School Facebook page</b>	We use our Facebook page to communicate, celebrate and send reminders about whole school and community events. Most of our families already have a Facebook account and confidently use this service already. Go to Facebook, search for @LethbridgeParkPS, or go directly to our Facebook page facebook.com/LethbridgeParkPS and hit the LIKE button.
<b>Seesaw</b>	To achieve and encourage regular communication between students, families and classroom teachers, all classes will be using an application called Seesaw. For families who have already signed up, your details will be rolled over into the new school year. For new families, relevant details on how to get connected will be provided to you. The Seesaw messaging system provides confidential communication between teachers and individuals. Should you need to speak with your classroom teacher, please contact our school office and request a call back.
<b>Signs of illness at home or school</b>	Should your child display any symptoms (e.g. headache, runny nose, cough, high temperature, vomiting, diarrhoea, etc.) that suggest they may be unwell, please keep them home from school. Call the school to inform the office or message the teacher using Seesaw. Should your child display any signs of illness at school the school office will contact you to arrange for them to be collected. If your child has even mild COVID 19 symptoms, they should be tested and clear of all symptoms before returning to school.
<b>Lost Property</b>	Please ensure school jumpers and hats are clearly labelled to avoid clothing landing in our Lost Property collection.

We are very excited about the year ahead as we work together to achieve the best possible learning progress and achievement for your child.

Regards,

**Felicity Fisher**
