	your child knows your preferred choice.		
Attendance	Attending school every day supports your child's social and emotional development,		
	as well as their academic performance. We aim for all children to have attendance		
	of higher than 95%. This means no more than 10 days away from school for the		
	whole year.		
Uniform	The Uniform Shop is located at the school office and is open Monday - Friday from		
orders	8:25am-3:10pm. Uniforms can also be purchased through the school website, with		
	proof of payment sent by email to lethbridge-p.school@det.nsw.edu.au. Online		
	orders can be collected from the office or sent home with your child at your		
	request.		
School	The school no longer publishes formal newsletters as Facebook is used to		
Newsletters	communicate and celebrate all events, as well as student learning. A Principal's		
Newsietters	Message is published fortnightly giving a brief update of coming events.		
Cabaal			
School	We use our Facebook page to communicate, celebrate and send reminders about		
Facebook	whole school and community events. Most of our families already have a Facebook		
page	account and confidently use this service already. Go to Facebook, search for		
	@LethbridgeParkPS, or go directly to our Facebook page		
	facebook.com/LethbridgeParkPS and hit the LIKE button.		
Seesaw	To achieve and encourage regular communication between students, families and		
	classroom teachers, all classes will be using an application called Seesaw. For		
	families who have already signed up, your details will be rolled over into the new		
	school year. For new families, relevant details on how to get connected will be		
	provided to you. The Seesaw messaging system provides confidential		
	communication between teachers and individuals. Should you need to speak with		
	your classroom teacher, please contact our school office and request a call back.		
Signs of illness	Should your child display any symptoms (e.g. headache, runny nose, cough, high
