Student Voice

During the meeting, your children will be sharing their learning goals and achievements with you. They will share samples of work they have completed throughout the term during the 10-minute conversation. Your child's teacher will also provide you with a letter that communicates your child's learning goals and how they are progressing.

2 Ways to Book Your Time!

As we are moving to online next term (Term 2), we would like all families to use the Parent Portal online booking system ([please find the instructions on the attached letter](#)). Alternatively, you can use the form below (this term ONLY) and return it to the office who will book this for you. Please be aware however, that families who use the online booking system will receive priority as there is no lag in booking time.

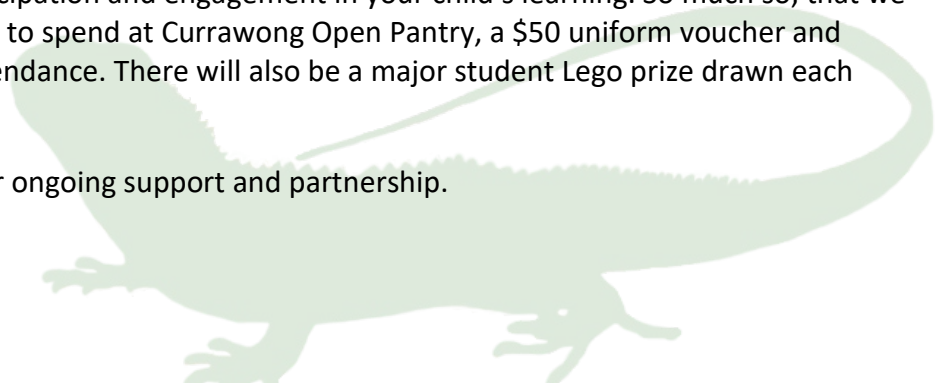

Prizes

As you know, we value your participation and engagement in your child's learning. So much so, that we are giving away a \$50 Spend Card to spend at Currawong Open Pantry, a \$50 uniform voucher and Lego prizes for all students in attendance. There will also be a major student Lego prize drawn each day.

We thank you in advance for your ongoing support and partnership.

Kind regards,

Mr Garry Sheen
