Principal's Message Welcome Back

Warami Everyone,

Welcome back! We hope you have enjoyed a lovely break with family and friends. Today we welcomed back all our students to the beginning of an exciting Term 2. The playground this morning was full of happy faces and lots of catching up with friends and teachers.

The following information is provided to help ease you back into school routine.

School Communication – WE HAVE GONE PAPERLESS!

As of Term 2, all notes and communication will occur via the Sentral Parent Portal. If you haven't already done so, please scan the QR code below to sign up. If you do not have data or the internet, please contact our admin team.

The school will also continue to post important information, reminders about upcoming events and celebrations and student learning on Facebook. Find us on @LethbridgeParkPS

Our K-6 teachers will continue to use *Seesaw* throughout the term to assist with communication and preschool teachers will continue to use *Storypark*. There is a messaging function that can be used to send messages to your child's teacher. Your child will use *Seesaw* to share and celebrate their learning (videos, photos of their work) and achievements throughout the year. Please be aware that messages via *Seesaw* and *Storypark* may not be seen by the teacher during the school day as they are engaged in teaching but will be responded to within a 24-hour period. Alternatively, please don't hesitate to contact a member of our admin team with your enquiry.

3-Way Goal Setting

Three times a year, we have our formal 3-Way Goal Setting meetings where students, parents and teachers come together to celebrate student achievement and discuss NEW learning goals. These important meetings start tomorrow afternoon. Please see the scheduled times for your child's class. If you haven't already made a booking, please do so calling the office and requesting a time.

Our Homework Warriors Challenge is up and running again for Term 2!

Term 1 saw some fantastic student participation rates and we are looking at continuing this trend in Term 2 as this helps to support and consolidate learning that is happening everyday in every classroom.

So how does it look in Term 2...

The process will be the same, all that is different is that the challenge is 40 nights this term instead of 30. All challenges will go home with students by the end of this week so they can quickly get started. If you have any questions, please speak with your child's teacher who will be very happy to help.

Peer Support

Our 2025 Peer Support program will begin next Friday (Week 2) and will continue until Week 9. Students in K-6 will participate in the program, 'Moving Forward' over these 8 weeks. This program has been designed to develop resilience in students and provides strategies for them to implement when faced with challenges. Our Year 6 students will be taking on the very important role of Peer Support leaders and will be assisted by our Year 5 students who will co-lead.

Currawong Kitchen NEW Autumn/Winter Menu – Real seasonal food made fresh!

Please refer to the new menu from Currawong Kitchen that will be available from Week 3 onwards. Remember you can skip the morning queue by ordering online or grab a slip and use the drop box. Slips are available at the counter so grab some to take home along with a copy of the new menu. Please ensure all orders are received by 9.30am.
