3-6 Growth and Attainment Award Winners

Dear Parents and Carers,

It gives me great pleasure to congratulate our first ever 3-6 *Growth and Attainment* award winners. Growth and Attainment awards are awarded to students who have either made 'growth' towards their learning goal or have 'attained' or achieved their learning goal this term. These students have consistently demonstrated learner dispositions including determination, persistence, curiosity, cooperation and commitment.

Growth and Attainment awards are awarded for:

- English, mathematics and science.

Please find the students from our 3-6 section of the school who received their 'Growth and Attainment' medallions last Friday on the back of this letter. They will also have their photo displayed in the courtyard for the duration of Term 2 for all to see. See below.

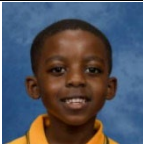

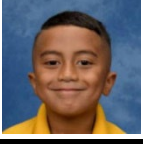

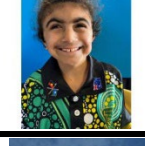

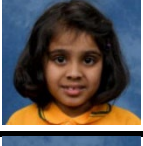

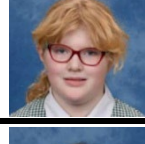

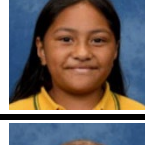

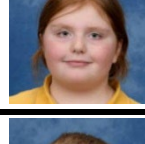

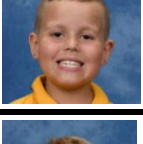

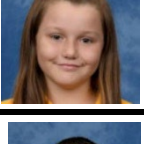

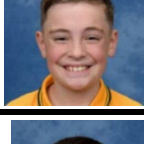

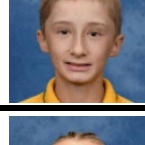

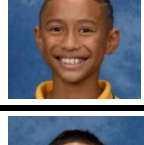

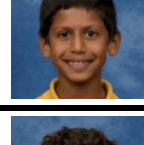

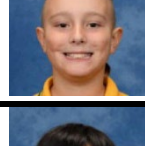

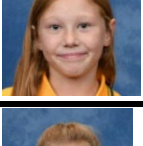

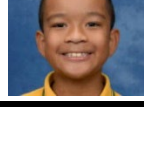

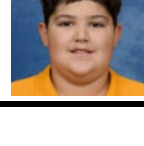

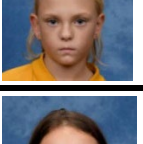

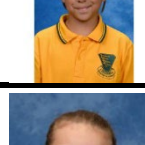

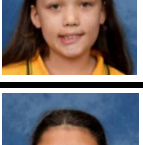

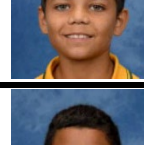

We look forward to sharing and celebrating the success, growth and achievement of your child throughout the year.

Kind regards,

Mr Garry Sheen
Executive Principal
